B04-BLAIR

a bonus on my job

My name is Lemmy. That's short for Wilhemina. I'm currently in my 14th month of divorce. I work four days a week at a popular Italian restaurant. I love working there because of the tasty, delicious Italian food and I get big discounts on it because I'm an employee. The only thing I don't like is, well you guessed it, my boss, Sylvio. Why? Because he's bossy! A bit on the extreme side at times. Plus he's always poking his head into everyone's business when we're working, telling us we're not doing this right or that right, and I've been working here for a long time.

We all have to wear a white shirt with black pants, including him, but he's always got sauce stains on his shirts and on his black work pants every time I see him. Throughout the night, he'll push me harder than the rest of the crew. Or maybe it's just me that sees something that really isn't there? He always seemed to have something against me, like he didn't like me or something. Maybe he thinks I'm too snooty and could work harder, but I do work hard and he knows it! Maybe it's something against non-Italians working in an Italian restaurant. He's from Naples and has only been in the country for about six or seven years. Unfortunately he brought a lot of machismo with him and that

just doesn't fly here in America. Sometimes it seems he's nicer to the other servers than me. That's just what I sense, but I always go home thinking I'm wrong.

Tonight as I'm helping Vinnie, one of the bus boys, clear some tables, Sylvio comes strolling along with a pile of trays and towel he's been wiping tables down with, sets them right beside me, and continues to stand right there, purposely watching me do my work. Now I'm in a more antsy mood and aware of all the other customers around us. I knew he was going to say something critical. I mean, I've been working here for almost three years and he's never been this intense towards me before. But now all of a sudden he's like an eagle strategizing on how to capture its prey. So with all my nervousness, I accidentally drop one of the glasses and soda splashes on me... and him.

I'm trying to clean up the mess and he says he must speak to me after work. It's now a few minutes after closing time and all the other employees have gone. Sylvio came downstairs to the staff locker room to get me to come talk to him, about what? I don't know. I could hear the steps of big black, size twelve men's shoes coming down the stairs 'Why couldn't he just

Sylvio can be a mean, over-bearing boss most of the time. Today, he convinced me that he can be a man, too!

forget about it?' I thought he'd forget – he forgets a lot of things. I was just about to take my soda-drenched work top off, then hurriedly putting it back on because he was just about to walk in, then I hear in his deep vice and thick Neopolitan accent "Lemmy dear, we need to talk."

But what he meant was he always had a hard on when around me. And when I could see it, it was practically protruding through his black pants.

"About what?" I respond, giving him a cold eye. "Let's go this way." He pointed with his finger to follow him up to his office. I walk a few feet behind him wondering what he wanted, what did I do, what's he gonna say to me? We were now in his office and he closed the door hard behind me and sat down on the edge of his desk. Before he could say anything, I jumped in and tried to defend myself. "I dropped some glasses, big deal, Syl..."

"Don't say anything yet." he said gently as he got up from the desk and walked closer and stood right in front of me. "Lemmy you're not in any trouble, dear."

Sylvio was about six foot, 45 years old or so, with salt and pepper hair, and he's actually pretty handsome if you overlook his bossiness. It felt like a giant standing over me as I'm only five-four. He walked behind me, first putting his hands on my shoulders, massaging them, and then leaning into my left ear, whispering... "You're always ready to defend yourself, so please take it easy, Lemmy."

Rather nervously I gulped and said "Sylvio, you don't need to be doing that." But he continued to do it, with more pressure and as much as I tried to get out his grip, it actually felt really good and relaxing after a long, busy day.

I tried to change the subject by saying that my shirt got dirty and I had to get going to wash it because it's the only one I had. I could feel his hands slowly move up my shirt as he was attempting to take off my soda stained white shirt, now massaging my neck. He whispered "Don't worry, I have another one that's just your size." I could hear him hissing in between each word, the sound made when licking your lips, then letting out minor sighs. I was now trying to deflect his intentions, I innocently asked "Sylvio, what do you think you're doing?" He then turned me around and said, "Lemmy, I know I've been a little hard on you, more than normal lately, and even more than the other employees, but that's because I can't help the way I feel about you."

WTF!!! In my head I was more than surprised.

All I could say was "Then why are you so mean to me? Why can't you just be nice?" He backed away a foot or so saying "If I acted the way I really feel about you when everyone was around, I'd be – uh – fired." But what he meant was he always had a hard on when around me. And when I could see it, it was practically protruding through his black pants. He began to slowly kiss me on the neck. I looked up and noticed the store cameras were off, windows covered, and it seemed like he was planning this for a pretty long time.

Then he paused and kindly asked me, realizing his actions "I'm sorry, I just couldn't help myself any more." Then he continued "So Lemmy, do you mind?"

I looked down, and was a little hesitant, almost ashamed, even feeling a little dirty, then I told him, "You know I have a boyfriend?"

Then he said "I know, please, no one will ever know, I promise."

Without fully saying yes, I let my eyes agree and then once again he pushed me up against the wall and began to unbutton my dirty shirt, tossing it to the side. He began kissing my neck and taking off his shirt and before I knew it, I was taking off his pants, undoing his belt, unzipping his pants (the sound of it turned me on), and seeing his cock pop out to the perpendicular. "Wow!!" I gasped. "If you forgot, I wear size twelve shoes." he said jokingly. He then proceeded to pull off my pants and then pulled off my panties. With his cock now pointing at me, we both stopped and looked at each other in a daring 'thinking what I'm thinking?' kinda way. He then grabbed my full breasts as he smirked with excitement. I grabbed his large, throbbing thing and put it deep in my mouth.

My pink tongue worked the head and my hands pumped his shaft. I licked him from the base of his balls to the tip. My tongue found his pee-hole and pushed at its tiny opening enough for him to feel it. My hands were playing with his balls and my fingers scratched the area between his balls and his anus making him moan in pleasure. I pushed his cock against his belly and lowered my head, opened my mouth wide, and took in both balls into its moistness. I rolled my tongue around them for a while as I jerked his cock against his belly.

Sylvio picked me up, placed me on his desk, managed to put on a condom and then he entered me. I yelled out, bending my head back, with my hands around his torso, clenching his muscles. He was really into it, fucking me harder and harder. In-and-out in rapid motions. Then he moved his lips down further towards my neck kissing me there and proceeding lower and lower. I was now on my back on his desk and he positioned his head near my pussy and then spread my thighs apart.

He ran his hands over my mound before diving in with his tongue. He put both hands under my buttocks and lifted my hips up slightly to lick me better. I felt his long, wet tongue search out and then find my pink button. I moaned loudly. I mean I've had good

orgasms before, but nothing like this. His tongue was licking up and down as if my clit was an ice cream cone. Our passion created deep sweats, both of us dripping like icicles melting on rooftops. I yelled again as my body quivered from the intensity of my second orgasm and my eyes rolled back in my head. A long line of sweat was trickling down to my pussy area before he quickly caught it by licking it up towards my boobs.

Then Sylvio placed me up in a sitting position and grabbed my face and we began to kiss again. Then after gaining energy, he placed his dick deep inside of me. I moaned as he penetrated deeper and deeper into my tight love box. I could feel his big hands grab my ass and pull me harder onto his cock. Both of our eyes rolled back, sweat dripping, lips moist, rapid chest palpitations. Then I finally let out a loud shriek, cumming once again.

Suddenly he pushed hard into me, and with a few more rocket strokes, he pulled out and thrust his throbbing cock into my mouth. I grabbed his balls and milked him for all I could as he released his hot cum so deep into my throat that I had no choice but to swallow. Having spent himself good, he took a couple steps back and grabbed his shirt to dry himself off. My sweat did not matter, apparently. Nonetheless, I grabbed my clothes as he opened his door, he said, "Wash your shirt, Lemmy."

I moaned as he penetrated deeper and deeper into my tight love box. I could feel his big hands grab my ass and pull me harder onto his cock.

STORMY & JUSTIN

Mardi Gras is such a fun time of year, and Stormy wants to get more beads than any other girls in New Orleans. She's even willing to take Justin's thick schlong in her mouth until his balls slap up against her chin. Stormy seems to like the taste of Justin's cock. Enough, now she is riding his hard, veiny dick, and milking his seed all over her giant tits. Some girls will do just about anything for a big handful of cheap plastic beads.

KAYLA & MARK

I was pretty depressed last week, I hadn't been laid in almost three months. When I decided that it was time, I bought this sexy white outfit. Not that it would stay on for very long, but it makes a good impression. Then it was time to get my face and body ready. Yes, I spend extra time to be sure my booty is inviting. And it is.

my wife is mildly wild

Now, it was time for me to stiffen. At this point, with no one but us in the pool area, got even busier under the warm, bubbling water!

Well, I did not expect to hear from my wife so soon so soon. She had was a long trip on one of those craft shows a couple states over in Indiana. Ever since she started her business, she's been going to these shows once every few months. I received the text message a day ago, informing me she would be finishing in St. Louis. She asked if I could arrange to meet her there. I texted back that I missed her and would see her there tomorrow.

The next day I arrived and waited at baggage claim. Soon she appeared and said she had parked right outside. I grabbed my bag from the carousel and we hugged with a warm, but brief, embrace and the briefest of pecks on the lips. It was great, bags in tow with one hand, and my wife's holding the other.

We got to her SUV, jumped in, and I asked if she'd like dinner. Now, I was not hungry - not for food, anyway. I was merely being gracious. She said she was not hungry and we should just head to the hotel room that she had reserved for a couple days. She drove the couple miles to the hotel and we headed up to the room.

I dropped the bag on the floor, and we decided to hit the hot tub on the top floor of the hotel. She said it had a wonderful view of the Gateway Arch. We changed, grabbed towels, and took the elevator up. There was

no one else there so we had the pool area to ourselves. We slipped into the hot tub, she on one side, me on the other. This was good, because I got to gaze into her incredible eyes as we spoke. After a few minutes, we began a game of 'footsie' under the water. Wiggling our toes back and forth, we took turns slipping a big toe between the big and second toes of the other. We found this highly erotic, for we would slide them back and forth in a very suggestive way.

I was no longer content to sit across from her, so I slid across the hot tub. While sitting next to her, I stroked her lovely thighs. After a few moments of this, I was able to work a finger between the suit and her thigh. It was then fairly easy to move my finger toward her twice-wet pussy. As soon as I touched her labia, she stiffened. I took a moment to wiggle the first digit of my fingers into her pussy, and again she shuddered from the sensation.

While I played at her slit, she reached for one of my thighs and snaked its way inside the suit's leg and up to my cock. Now, it was time for me to stiffen. At this point, with no one but us in the pool area, got even busier under the warm, bubbling water!

While a couple of my fingers stayed in her pussy, my other hand slipped up to her bikini top. The neckline re

vealed a generous portion of cleavage and I slipped my hand between her breasts. This led to some passionate kissing, as well as deeper probing and stroking with our fingers and hands. Since the pool area was still open, we knew other hotel guests could walk in at any time.

Continuing for a few minutes more, I finally suggested we retire to our room. After a few more moments of carnal contact, she agreed. I stepped out of the hot tub first, grabbed a towel and reached for her hand. Once she was out of the water, my arms embraced her. It was exciting toweling her dry. We elevatored back down to our room and took turns stripping off each other's bathing suit. First, the release of her breasts. I paused briefly to adore each giving the nipples a small lick and suck before continuing my disrobing quest.

I finished peeling her suit off as the fabric pulled over her mons. Her thick bush of hair was my prize, and I buried my face into her lovely bush. The mix of chlorine from the pool and her pussy was strangely sensual. As we were now nude, it was a quick move to the bed. We were no longer subtle in our movements. It was as though we became overwhelmed with unbridled passion as we literally attacked each other. Caresses and penetrations to her body resulted in her body's writhings and stiffening. It was beyond wonderful.

As she passed my waist, she retracted her hand, licked her index finger, and slowly but firmly slipped it into my anus. I thought I was going to cum, but did not. She grabbed my cock and began to stroke it hard. While doing the cock stroking, she stopped the anal stroking by slipping her finger all the way up to her knuckle. While holding her finger's

position, she was able to move just the first joint of the finger. She absolutely knew what she was doing. At this point, my cock stiffened like I'd never experienced. Her continued stroking was taking me to the promised land. I tried to get her to stop but she wouldn't.

She relentlessly kept up stroking my cock, all the time with her finger still in my butt hole. Within a few minutes, she had me spraying all over her hand, stomach and the bed sheets. My screaming would likely have awakened the dead, but this hotel must have been well-insulated. If the neighbors heard anything, it was probably muffled.

Now that I spent the first one, it was my turn to be in charge. Since she had entered my back door, I believed it only fair that I return the favor. I dove between her thighs as though we were back in at the pool. As I buried my lips and nose into her bush, I slid two fingers into her pussy and one into her ass. In synchronized movement, I rapidly stimulated both while licking her clit. Her back arched, her thighs squeezed, and she climaxed. I don't know which one of us screamed louder - but it really doesn't matter.

After we calmed down, with my cum still on her body, she rolled on top of me. It felt really good, as we squished together. We rolled to our sides, facing each other, and fell asleep without changing positions all night long. In the morning, over coffee, I asked how she got so frisky last night. There was special reason, she said, only that she missed me and wanted to get a little wilder than she had been. And she did. We didn't set the town on fire, but for us, it was a great night and she promised to carry her enthusiasm into our bed at home. Can't wait to get home!

Her back arched, her thighs squeezed, and she climaxed. I don't know which one of us screamed louder - but it really doesn't matter.

ALIA & CYTHERA

There's little we'll be able to say about this shoot. Plenty of woman on display here. Lots of sexual energy and sexual tension that is, fortunately, relieved at the end. We won't focus on their differences, but their similarities. Hot, sexy, erotic and with a whole lot of lust thrown in for good measure. So, lick on ladies. We'll be sitting over in the corner.

Hi guys. We hope
you had a good time
watching us fuck.
It's like a front row
seat to our private
sex lives. Some-
times we're not all
sweet and cute.
Sometimes we
want to get down
and a little bit
nasty. That's
how we roll!

FRANKIE & IAN

Frankie is one of the most sexual girls we've ever shot and also happens to also be one of the filthiest, cock hungry babes we've ever run across. Many girls brag that they are cock-sucking queens and some will even suffer through an on-cam throat-fucking to prove it, but she is the real deal.
